in 2 days.)

### Important Instructions for Proper Use:

- Read and follow the label on all Tylenol products.
- Take every 4 hours as needed.
- Do NOT exceed more than 5 doses in 24 hours.
- Do NOT use with any other product containing acetaminophen.
- Use only the dosing device (syringe or dosing cup) that came with the product.
- All infants Tylenol and children's Tylenol oral suspension products have the same acetaminophen concentration (160 mg/5 ml)
